

Unhoused and Voting

Registering to Vote if you are experiencing homelessness

Myth vs. Fact

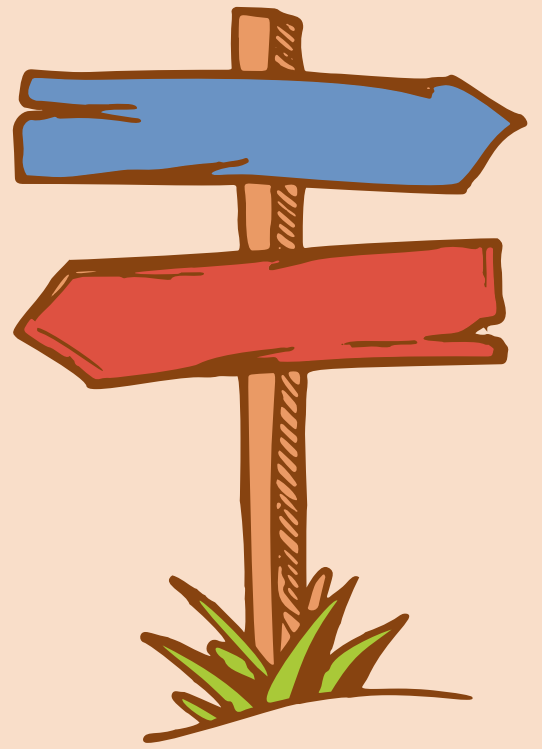

If you are experiencing homelessness, you cannot register to vote or vote

You CAN register to vote and vote, even if you are experiencing homelessness

What about my address?

You can register to vote, even if you do not have an address.

Simply input the address of a friend, or family member, or input the cross-street of where you currently stay. For example: Rundberg and North Lamar

What if I don't have an ID?

No problem! You do not need an ID to register to vote. You can register with a social security card.

OR you can check the box indicating that you currently do not have an ID

9 Texas Driver's License No. or Texas Personal I.D. No. (Issued by the Department of Public Safety)	If no Texas Driver's License or Personal Identification, give last 4 digits of your Social Security Number
<input type="text"/>	XXX-XX- <input type="text"/>
<input type="checkbox"/> I have not been issued a Texas Driver's License/Personal Identification Number or Social Security Number.	

And when it comes to voting at the polls, you have a variety of options.
